

at National Harbor, Maryland USA

ControlCase is pleased to support the **Gartner Security & Risk Management Summit 2011** to be held at the National Harbor, Maryland on June 20 through the 23rd.

The **Gartner Security & Risk Management Summit 2011** is the premier conference and meeting place for IT and business executives responsible for creating, implementing and managing a proactive and comprehensive IT strategy for information security, risk management, compliance, business continuity management, IT disaster recovery and business resiliency.

Four complete programs drill down on Security, Risk Management, Business Continuity Management, and CISO roles to deliver detailed content and networking.
